gone out of Sight to the Leeward Watches
employed on the Rigging, This Evening
Mr Jennings told me in the most that
I told him that when he Shiped in the
Montezuma, that I Should get home the
Latter part of July or the First of August, I
I dont Remember of telling him So,
told him that I Should get Home Home,
time in the Fall, He Said that he was
in a Hurry to get Home, I told him that
I wished that was Where He (Mr Jennings)
Could get out of the Ships, He Said that
There was a grate Deal of work to Do on
the Ship, More then any Ship that he had been
onboard of, Said that He did not like to work
for Nothing & Did not like to Do other
folks work, I told him that I Did not
want him to Do any work, He Said
He did Not mean to Do any work, but
would See that the Crew did the work,
He Said that He wanted to get Home So
that he Could Have a Chance to Come
to Sea again Next Fall

Wednesday Aug 14th

Light wind from E to S & E and fine weather, Steering N. Carring all Sail, At 11 A M Saw Bermuda Islands bearing (the S W End or the light house) E & E about 20 mile off, Hauled up by the wind and Steerd E & E for the light house, At 1 P M a pilot Came along Side, but he Soon left us; as we Did not want a pilot, Wind Failed & and Steerd E & E So we brought to the S of S W Reef and then we stood to the E & E till we Come to the

East of the Island, then we Shall Stand off and
on the South Side of the Island through the
night. There is 2 Harbors on the Island one
on the West and one on the East, the one on
the East is the one where the large Ships goes
in. and the largest town is there, Hauled
up the Chases and bent them on the Anchors
and got the Larboard Anchor of the Bow ready
for use, We Learn that they are to war in the
States and there was 2 Southern privateers
left here the other Day, I found my Chro-
nometer 4 minutes to Slow by the Light
House, which lies in the Lat of 32, 4 and Lon 64, 38

Thursday May 15th

Light wind from S.W to S.S.W
and fine warm weather, Montezuma laying off
and on Davis Head, At 6 in the Morning I
tooke a Boat and Crew and went a Shore to
St Georges town on St Georges Island on the East
most Island, I got 4 Bbls of Irish potatoes at
$5, per Bbl, 150 lbs onions 4 cts a lb, 10 gallons
Lime juice at $1, per gallon, 4 lbs Sallarates
at 25 cts a lb, There is no Fruit to be had
here this time of year & Very few vegetables,
to be had, for it is out of Season for them, They
are about putting in their Second Crop
Arrow Root is the main Staple Raised on
these Islands, There is Some fine Shoal Bays and
Narrow Channels between the Island, these
Islands is a Solid bed of Rock and Rivered
with light Soil, there is lots of Red Cedar
growing on the Islands, There was two Schr
owners in there from N. York lately and I got lots
of late papers & a late Shipping list, At 12 AM
I tooke my Departure from St Davis Head, and Steer
ed off to the NE crown to Dist Clear of the Reefs

Bermuda Islands

A brig in sight came out from the North Side of the Island and Gave Chase to us and hoisted the English Flag, Good place to shut out from these Islands
